**MEMBERSHIP CATEGORIES
PROFIBUS ASSOCIATION OF AUSTRALIA NZ INC**

The Management Committee decided on three levels of membership, with different sets of membership benefits and different membership fees.

a. Manufacturer - yearly membership fee: **AUD \$1,650.00pa for 5 members Ex GST.**

This membership level is suitable for companies developing and/or manufacturing their own PROFIBUS products. Specific membership benefits, available at no additional cost:

- access to all PROFIBUS specifications, guidelines and other technical documents published by PROFIBUS International,
- listing on PROFIBUS International website (www.profibus.com)
- listing on PROFIBUS Australia website (www.profibusaustralia.com.au)
- inclusion of promotional materials with PAANZ mailings^(*),
- assistance in arranging testing and certification at PROFIBUS International accredited laboratories,
- assistance with IDENT numbers for locally manufactured products.
- the right to use PROFIBUS logo on products and promotional materials,
- a monthly electronic copy of PROFINEWS.
- the right to take part in seminars and exhibitions (note: participation fees will apply),
- the right to be elected to the PAANZ Management Committee.

^(*) – small quantities at no charge, larger quantities at an additional fee.

b. Vendor - yearly membership fee: **AUD \$1,200.00pa for 5 members Ex GST.**

This membership level is suitable for companies offering PROFIBUS products and services, but not developing or manufacturing own products. Specific membership benefits, available at no additional cost, are:

- access to all PROFIBUS specifications, guidelines and other technical documents published by PROFIBUS International,

- listing on PROFIBUS International website (www.profibus.com)
- listing on PROFIBUS Australia website (www.profibusaustralia.com.au)
- inclusion of promotional materials with ANZPA mailings^(*),
- the right to use PROFIBUS logo on products and promotional materials,
- a monthly electronic copy of PROFINEWS.
- the right to take part in seminars and exhibitions (note: participation fees will apply)
- the right to be elected to the PAANZ Management Committee.

c. End User – yearly membership fee AUD \$900.00pa for 5 members Ex GST.

This membership level is suitable for individuals and companies using PROFIBUS technology in their plants. Specific membership benefits, available at no additional cost, are:

- access to all PROFIBUS specifications, guidelines and other technical documents published by PROFIBUS International,
- a monthly electronic copy of PROFINEWS.
- personal notification about seminars and exhibitions, priority over non-members in case of seat limit,
- assistance in locating providers of PROFIBUS related products and services.
- the right to be elected to the ANZPA Management Committee.

d. Student/academic - yearly membership fee: AUD \$90.00pa for 5 members Ex GST.

This membership level is suitable for students and members of academia not gaining direct commercial benefits from the PROFIBUS market, but requiring an understanding of the technology. Specific membership benefits, available at no additional cost, are:

- a monthly electronic copy of PROFINEWS.
- personal notification about seminars and exhibitions, priority over non-members in case of seat limit,
- assistance in locating providers of PROFIBUS related products and services.
